REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

None of prior art teaches a wireless and hands-free earphone with a sound absorbing function that comprises an earphone, a membrane sound capture device for receiving input of a sound wave, a connecting line coupled between the earphone and the membrane sound capture device, and a sticking layer disposed on the membrane sound capture device, as specifically claimed in claim 1, wherein the membrane sound capture device has an inward face on which a plurality of vent holes are formed, and wherein the sticking layer is operable to secure the inward face of the membrane sound capture device in contact with a user (also see page 4, lines 6-17 in the specification).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
